

FOSTER CITY YOUTH SOFTBALL ASSOCIATION

Scorekeeper Application

Thank you for your interest in becoming a scorekeeper for Foster City Youth Softball (FCYSA). Our goal is to supply the league with well-trained, mature, and committed scorekeepers. If you are playing organized baseball or softball, please carefully consider whether you will realistically have the time to both score-keep and play, in addition to your school work. The spring season starts late February and goes through play-offs in early June.

In order to become a scorekeeper, you must:

- Be between League age 12 – 18 years old and you may not score-keep a game in your current division
- Attend a scorekeeper clinic, to be held sometime in late February or early March
- Shadow an experienced scorekeeper for one training game

Scorekeepers will be paid \$15.00 per game. You can choose to receive two hours of community service per game instead of being paid. Scorekeepers will be paid at the end of the season. Once we get closer to the season, we will provide you with a login and password for our scorekeeper scheduling website.

If you would like to be considered as a scorekeeper, you must turn in an application at FCYSA registration or mail it to the address below by January 24, 2009. We will have a limited number of openings available. Based upon response, we will invite as many youths as possible to become scorekeepers. Unfortunately, we cannot guarantee everyone a spot. Those who are available to score-keep both weeknights and weekends will have preference over part-time applicants.

We will e-mail those chosen by our selection committee in early February. Our selection criteria will be based on experience scorekeeping, availability, baseball or softball knowledge and interest, temperament, and level of maturity.

Sincerely,
Adelaide Hulbert
President, Foster City Youth Softball Association
