

## FOSTER CITY LITTLE LEAGUE 2006 SCOREKEEPER RULES

1. **It is your responsibility to schedule your own games via the FCLL website.**
  - a. There will be no email reminders for your game schedule this year.
  - b. Don't schedule more than two weeks in advance—you might forget.
  - c. Don't be greedy—if I see excessive amounts of games scheduled by you—I will cancel some.
  - d. Don't schedule games you are not allowed to do (such as in your own league). I will remove your name from the game.
  - e. If you cancel yourself on the website with less than 48 hours notice—you must find your own replacement. Otherwise you will be given a **MISSED** game.
  - f. If you don't show up for a game, arrive late for a game or leave early from a game—this is a **MISSED** game. Make sure to allow enough time to get to or from your practices or games so you don't arrive or leave late.
  - g. **Two MISSED games and you are no longer eligible to be a Scorekeeper.**
  - h. Check with your parents for appointments, vacations and other commitments before you schedule yourself.
2. **Please arrive 30 minutes early to the game.**
  - a. Go to the Snack Shack and pick up the game balls.
  - b. Check in with the Umpire and get the rosters from the Coaches.
  - c. Set up the scoreboard and book.
3. You may bring an (unpaid) friend to run the scoreboard if you need to. **NO GOOFING AROUND!**
4. During the game, you may only address the Umpire on agreed subjects, such as pitch count. If you see anything else—don't bother the umpire.
5. Coaches/Parents/Spectators are not allowed to speak to you. Refer them to the Umpire.
6. At the end of the game, sign the scorebook in permanent marker and print your name neatly in the book. The umpire must also sign the book. If you don't sign or I can't read your name, you will get a MISSED game.
7. Count pitches for AAA Baseball ONLY.
8. Count innings pitched for Majors Baseball and Majors Softball.
9. Please wear your scorekeeper windshirt while you are working.
10. Clean up the area when you are done. Put the chair away and pick up trash.
11. You are allowed to go to the Snack Shack immediately after the game for a drink and a hot dog (or similar).
